

# The Mackinaw

Model # H137 cm  
 Total ..... 988 Sq. Ft.

Beautifully simple, the Mackinaw offers an extra-large great room, well-planned kitchen with counter seating and walk-in pantry, and two comfortable bedrooms. The optional fireplace in the great room adds instant warmth and appeal. Near the kitchen, a sliding patio door leads to the backyard—just add a grill and you're ready for a barbecue.

## How this home lives
